

On behalf of the Board of Directors of the European Chapter of International Association for Identification (EU IAI), you are invited to take part in our 2023 annual education international conference. **It will be held on June 19-21st at the Judicial Police of Portugal HQ in Lisbon.**

The conference will be open to members and non-members alike. We thrive to provide best value training events for our attendees. There is a high caliber of speakers from across Europe and U.S. to educate and inform delegates on a diverse range of subjects. This conference will also be an excellent networking opportunities among practitioners, forensic and biometrics disciplines thought leaders, industry vendors and academia. This year, we are pleased to share that Alice White will be our headline keynote speaker of the conference.

For our 2023 conference, we are offering several levels of sponsorship:

Bronze level (900€):

- 1 Exhibit table
- One full conference delegate pass including breaks, meals and reception
- Recognition (logo) on EU IAI conference emails, web page and social media
- Highlight of sponsor at the opening of the conference
- 50 words company profile in the EU IAI website
- Dedicated social media 'shoutout' (Twitter and/or LinkedIn)

Silver level (1650€)
